Bali, Indonesia - June 3 – 5, 2026

TRAVEL DOCUMENTATION

Please make sure you have the following documents upon arrival at the port of entry in Indonesia:

1. **Valid Passport:** Your passport must be valid for at least 6 months beyond your date of entry and have at least one blank page available for a stamp.
2. **Visa:** You are responsible for obtaining the necessary visa for entry into Indonesia. The World Bank will assist by providing official invitation letters or other supporting documents upon request. Please refer to the Visa Guidance document provided separately or contact official Indonesian immigration authorities or their nearest Indonesian Embassy
3. **All Indonesia Digital Declaration:** You are required to complete the All Indonesia Digital Declaration online form via <https://allindonesia.imigrasi.go.id> or through the mobile app (available in Google Play and App Store) prior to custom clearance at your port of entry into Indonesia.
4. **Return/onward ticket:** You must be able to show proof of a return or onward travel ticket.
5. **Accommodation confirmation:** You must be able to show your hotel reservation or provide a confirmed address of stay in Bali.

Indonesia Visa Guideline

1. Visa Free Entry

Citizens of certain states may enter Indonesia without a visa for stays of up to 30 days. This applies to nationals of: ASEAN Countries (Brunei Darussalam, Cambodia, Lao PDR, Malaysia, Myanmar, Philippines, Singapore, Thailand, Timor-Leste, and Vietnam), Brazil, Colombia, Hong Kong SAR, Suriname, and Türkiye.

2. Visa on Arrival (VoA) or e-VoA

Participants from many other countries are eligible for a Visa on Arrival or an Electronic Visa on Arrival (e-VoA).

Key details:

- Eligible countries: <https://www.imigrasi.go.id/wna/daftar-negara-voa-bvk-calling-visa>
- Applicable visa type: B1 Visa, applicable for visitors attending seminars
- How to obtain: Available at designated international airports and seaports in Indonesia, including
- Bali's Ngurah Rai International Airport and Jakarta's Soekarno-Hatta International Airport.
- Alternatively, apply in advance online at <https://evisa.imigrasi.go.id/> to avoid queues on arrival (strongly recommended).

WORKING DRAFT - LOGISTICS NOTE

East Asia Pacific Energy Knowledge Forum
Bali, Indonesia - June 3 – 5, 2026

- Further details can be found here: <https://www.imigrasi.go.id/wna/daftar-visa-indonesia/B1>

3. Visa Required in Advance

Nationals of countries not covered by the above categories must apply for a visa online or through the Indonesian Embassy or Consulate in their home country before travelling. Please check with the Indonesian Directorate General of Immigration or your nearest Indonesian Embassy to confirm whether this applies to you.

- Most participants falling under this category can obtain the C1 Tourism Visitor Visa.
- Further details can be found here: <https://www.imigrasi.go.id/wna/daftar-visa-indonesia/C1>.
- The standard processing time is approximately 7–10 working days

4. Visa Guideline for Speakers

Indonesia requires all speakers at the Knowledge and Learning Forum, regardless of nationality, to obtain the C10 Business Events Speaker Visitor Visa.

- Further details can be found here: <https://www.imigrasi.go.id/wna/daftar-visa-indonesia/C10>.
- The standard processing time is approximately 7–10 working days

All Indonesia Digital Declaration

The Government of Indonesia has implemented a new “All Indonesia” digital declaration system at all international airports. This system integrates Immigration, Customs, Health, and Quarantine declarations into a single digital form for all international passengers.

You can complete the form online via <https://allindonesia.imigrasi.go.id> or through the mobile app (available in Google Play and App Store).

Steps to fill out the form:

1. Access the website or app.
2. Enter personal details: name, passport number, nationality, flight info.
3. Declare items: taxable goods, health status, quarantine info.
4. Submit the form.
5. Save the QR code generated after submission. This QR code must be shown at immigration and customs checkpoints.

Please complete the declaration up to 3 days before arrival to avoid delays. All participants traveling to Indonesia must complete the “All Indonesia” digital declaration prior to arrival.

Bali, Indonesia - June 3 – 5, 2026

	Payment Methods Indonesia operates a mixed cash and cashless payment ecosystem. While credit and debit cards are widely accepted at hotels, conference venues, and most restaurants in Nusa Dua, participants are advised to carry both a small amount of cash and a payment card for convenience. • Digital payments are common through mobile wallets such as GoPay, OVO, DANA, and ShopeePay. <i>Some mobile wallets may require a local phone number or verification.</i> • Most merchants accept payments via QRIS, Indonesia's unified QR code payment system.
USEFUL MOBILE APPS	You may find the following mobile applications helpful during your stay in Indonesia, particularly for communication, transportation, navigation, and daily needs. Communication • WhatsApp – Primary messaging app in Indonesia; widely used for calls, messages, and group coordination. • Telegram / Signal – Useful for group chats and privacy focused communication. • Facebook Messenger, LINE, KakaoTalk – Available and functional, depending on personal preference. Transportation & Mobility • Gojek – Multi service app for ride hailing (motorbike/car), food delivery, and digital payments. • Grab – Widely used alternative for ride hailing and food delivery. • MyBluebird – Reliable metered taxi service (Bluebird taxis), particularly useful for airport and hotel transfers. Maps & Navigation • Apple/Google Maps – Essential for navigation, traffic conditions, and nearby places. Payments & Daily Essentials • GoPay, OVO, DANA – Popular digital wallets used for QR code (QRIS) payments at many merchants.
SAFETY AND SECURITY	Overall Security Situation – Indonesia

WORKING DRAFT - LOGISTICS NOTE

East Asia Pacific Energy Knowledge Forum
Bali, Indonesia - June 3 – 5, 2026

INFORMATION	Indonesia continues to maintain a stable and well-managed security environment, with no nationwide security concerns expected during early June. Recent assessments indicate that security incidents are generally localized and routine—such as small-scale demonstrations, standard law-enforcement activity, and isolated criminal cases—with no impact on international visitors or planned events. Security authorities maintain a visible, proactive presence around key infrastructure, transport nodes, and major venues, and there are no indications of heightened terrorist threats targeting foreign nationals or international gatherings. Bali and Event Location Context Bali remains one of Indonesia’s most secure and well-prepared destinations for international conferences and tourism. Recent reporting from the island indicates normal operating conditions, with security matters limited to routine policing and isolated incidents rather than any broader instability. Established security arrangements are in place around tourist areas, hotels, and conference venues, supported by regular police patrols and local authorities’ experience managing large international events. Indonesia is naturally exposed to earthquakes and volcanic activity; however, there are currently no significant natural hazard alerts affecting Bali, and authorities continue to closely monitor conditions under established preparedness and response frameworks. Participants can expect a safe environment throughout the forum. Practical guidance • Keep valuables secure; use hotel safes and avoid displaying phones near roads • Be vigilant in busy public areas and at night. • Use licensed taxis, hotel transport, or ride-hailing apps (Grab/Gojek). • Avoid scooter rental unless experienced and insured • Drink bottled water, follow hygiene precautions, and avoid contact with stray animals due to rabies risk • Follow hotel and local authority guidance during severe weather Medical & Security Emergency Card Emergency Numbers: <table><tr><td>Integrated Emergency Call (Hotline Utama)</td><td>112</td></tr><tr><td>Police</td><td>110</td></tr><tr><td>Ambulance</td><td>118 or 119</td></tr><tr><td>Fire</td><td>113</td></tr><tr><td>Search and Rescue</td><td>115</td></tr></table> Clinics & Hospitals	Integrated Emergency Call (Hotline Utama)	112	Police	110	Ambulance	118 or 119	Fire	113	Search and Rescue	115
